

DECA's International Day Celebration

December 16, 2015

Celebrating DECA's Diverse
Culture!!!

A special diversity inclusion event is being held for scholars from 2:00-3:30PM sponsored by DECA's Faculty. Since GPC finals are over, upperclassmen are encouraged to attend. On this day we are asking scholars to wear formal native cultural attire or to bring special cultural art pieces representing their culture to join in with the theme. Each classroom will also celebrate a representative country! There will be an opportunity scholars to learn about the various countries/cultures that not only create our world but our school as well! Scholars will travel around the "World of DECA" with international flags, maps and passports in hand to the different classrooms to experience and learn all about the many countries/cultures of DECA. The event will conclude with a **Parade of the Nations!**

In addition an International Pot-Luck Dinner, "A Taste of DECA", sponsored by DECA's PTSA will occur after school from 5:30-7:00PM. We are asking each family to prepare a special food dish representative of your native country or culture to contribute to the pot-luck. All scholars/parents who are willing to volunteer, bring in a dish, and assist in "A Taste of DECA" will be provided with volunteer hours! If you would like to volunteer in preparing a dish, please contact the PTSA at info@decapta.org to submit a volunteer request indicating your dish of choice!

We look forward to your participation!!! See you there!

Student/Parent Volunteers Needed!

Volunteer opportunities will be communicated in an upcoming E-mail!
