What is DECA?

DECA was established in 2006. It is a School of Choice and the DeKalb County School District's only Early College program. In conjunction with Georgia Perimeter College, and other contributing partners, our students complete two years of high school education (9th and 10th grade) in our building and their last two years (11th and 12th grade) as full-time students at Georgia Perimeter College—**tuition is paid at 95%**. Upon completion of the four years, students will receive their high school diploma and up to 60 credit hours towards an Associate's Degree, with a possibility of earning both the diploma and the degree.

Who is eligible to attend?

We look for:

- Students who may be the first in their family to attend/graduate college
- Students who may or may not be eligible for free/reduced lunch
- Students who have the drive/motivation to be successful with a rigorous college preparatory curriculum
- Students who enjoy academics and understand that we do not offer band or athletic programs
